It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 3 years.

Preston Stavon Bullock was released from custody on February 17, 2017, at which time the term of supervised release commenced.

On March 8, 2017, a Violation Report was submitted to the court advising that on February 21, 2017, Bullock submitted to urinalysis that tested positive for marijuana. At the time of the test Bullock admitted to using marijuana while in the halfway house and signed an admission form.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. While under supervision in the Eastern District of NC, the defendant shall participate in the DROPS Program and, in response to detected illegal drug use, shall be confined in the custody of the Bureau of Prisons for a period not to exceed 30 days of intermittent confinement, as arranged by the probation office, in the following increments: First Use - Two Days; Second Use - Five Days; Third Use - Ten Days; The defendant shall begin the DROPS Program in the second use level.
